Mrs. Effa Manley,
General Manager,
Newark Eagles Baseball Club,
71 Crawford Street,
Newark, N.J.

My dear Mrs. Manley,

Have made further contact with sports commentators via mail & phone and they are going to do their best to give the Newark Eagles and the Negro National Baseball League as much radio publicity as possible. I have already commenced sending releases to the various sports commentators. I've enclosed a tentative schedule of their broadcast times.

I will stop by your home this afternoon between 3 and 4 P.M. to complete our transaction.

Sportingly,

Jocko
